

How to Do a Food Drive

Food drives are essential to The Charity Guild's food pantry operation and are much appreciated any time of year, not just during the holidays. Major donations of food are reported to the board each month. We try to list them all on our website, and some are shown on our Facebook page. We will mail you a receipt with an estimated value.

Here are some guidelines:

- Any food collected should be nonperishable.
- Delivery of food to The Guild – at 501 Main Street in Brockton – is much appreciated; The Guild will pick up food donations if necessary.
- Food can be dropped off when The Guild is open, on Monday through Saturday 10am to 3pm. Preferred hours for drop-off are all day Monday, all day Friday, and Tuesday and Thursday from noon to 3. If you have more than one carload of food, we would appreciate a heads-up call at (508) 583-5280.
- If you can, please pack food into boxes that an adult can carry comfortably.
- Donations of clothing (new or gently used) and small household items are also welcome, for our thrift shop.

If you have questions, please contact Executive Director Michael Molyneux at (508) 510-9166 or michael@thecharityguild.org.
